School holiday program

September / October 2020

The Botanic Garden’s marvellous school holiday program is back, with holiday activities suitable for 5-13 year olds. Activities at our beautiful Adelaide, Mount Lofty and Wittunga Botanic Gardens have been designed to promote fun, hands-on learning about plants, people and the environment. Parents are encouraged to book early – spots will sell out!

We look forward to welcoming families to our September / October school holiday program. The safety and wellbeing of our visitors, volunteers and staff remains our highest priority. As a result, we are implementing a number of measures so we are able to offer a safe, welcoming and fun experience for all that attend and ensure we meet COVID-19 regulations. These include:
• Total group numbers will be capped for each activity including registered children and attending caregivers.
• Only one caregiver is able to attend per booking. Unfortunately, other siblings or caregivers will not be able to attend.
• The attending caregiver must remain with the registered child/children for the entire activity.
• Physical distancing of 1.5 metres between people.
• Practicing of good hygiene before, during and after sessions.
• Do not attend if anyone in your group is feeling unwell.
Please note, that in the event that one of our Botanic Garden’s staff member is feeling unwell on the day of your visit, the staff member will be required to stay home. This is to ensure that no children or adults are placed at risk. If this occurs, we will work with you to provide an alternative to your booked session.
